

Are you Climate ready?

Climate Education Strategy

November 2022

Clare Martin, Purpose & Climate Curriculum Lead

NatWest
Group

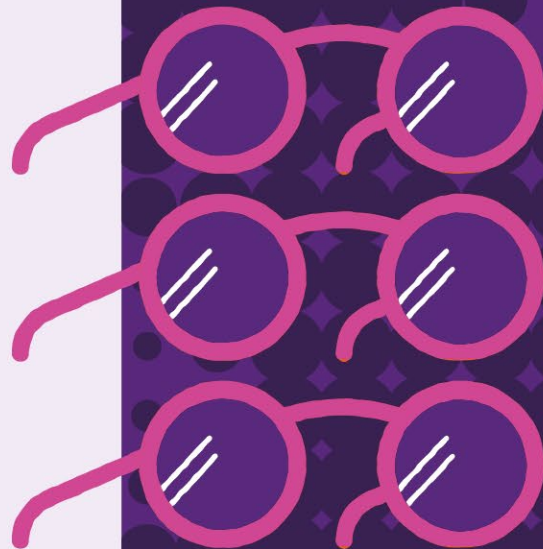

Hello!

... A bit about me

- I lead Purpose & Climate Education across the NatWest Group
- I am not a climate or sustainability expert
- I see myself as an intrapreneur trying to change the bank

Today...

- Give you an understanding of what we are doing to drive sustainability education across NatWest Group
- Give you some tools to play around with
- Inspire you to take action

NatWest
Group

“September and October of 2008 was the worst financial crisis in global history, including the great depression”

NatWest
Group

We champion
potential, helping
people, families
and businesses
to thrive.

Our Ambition

A leading bank in the
UK in helping to address the
climate challenge

Drive Awareness

Providing easily accessible climate awareness content for colleagues, customers and communities through our NatWest Learning academies, enabling people to take ownership and act

Build Agency

Equip colleagues in priority and customer facing roles with the necessary climate capability to do their job, support customers transition and meet regulatory requirements

Inspire Action

Inspire climate action and innovation through learning, thought leadership and global outreach

One bank approach

Leverage existing
assets

External research &
expertise

Help our customers
to transition

Building powerful partnerships
